General information

Mission

The mission of Rietumu Banka is to support and promote the development of Latvian and Baltic economy in a sustainable way by giving a hand to small, medium and large companies in terms of lending and operational infrastructure, while providing investment and asset management services to owners of these companies.

Vision

The Bank is in the leading position in the area of corporate client service and wealth management in Latvia and at regional level.

The Bank plans to consolidate its market position with an aim to ensure stable profit and improve efficiency ratios. Continuation of stable growth, improvement of the technological base and supporting of rational administrative infrastructure are among the Bank's priorities.

The Bank plans to continue to improve the control and risk management systems, personnel training and professional development of all employees.

Rietumu Group has zero-tolerance towards bribery, corruption, and money laundering. We are proud to have one of the most numerous and skilled teams in the region that stands ready to fight unfair business practices.

We at Rietumu Banka understand the importance of doing business in a way that for having profit today one does not have to take from tomorrow. Each business has to make its own contribution towards achieving long-term sustainability and banks as the ones controlling the flows of funds have even greater responsibility for this mission to be successful.

Rietumu Banka considers important sharing and promoting social responsibility by providing support and assistance to those in need through operations Nākotnes Atbalsta fonds (Fund for support of future).

Strategy

For achieving the set goals, the Bank has worked out and has been effectively implementing its corporate strategy focusing on the following areas:

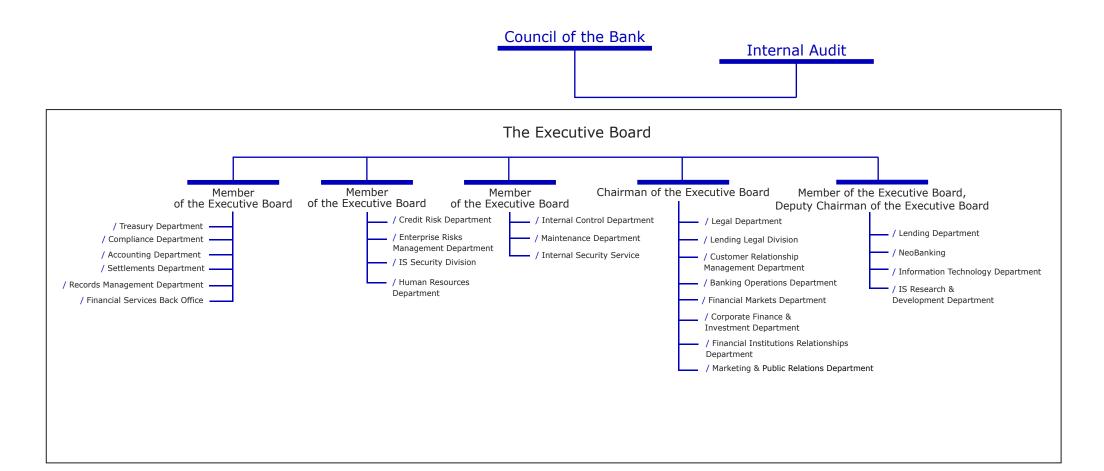

- Cooperation with customers working on international scale, customers who own production companies, distribution networks, retail chains, transportation and real estate enterprises, import and export oriented companies, as well as customers with cross-border business requirements, etc.
- Assets and wealth management, brokerage services for stock exchange, investment and corporate finance, provision of loans to corporate entities, interbank lending and investment in securities, attraction of interbank loans, corporate and private deposits attraction.
- Constantly raising customer service quality by improving and expanding the existing product range according to the current market situation and the Bank's technological capabilities.
- Continually improving the internal processes and information technologies.
